***REASONS FOR ALLOWANCE***

The following is an Examiner's Statement of Reasons for Allowance:

The applicant's amendment filed 4/4/05 overcomes the technical deficiencies and the prior art rejection. Claims 1-10 are allowed because the prior art of record does not show the first step of connecting the first capacitor and the second capacitor between the input voltage and ground, and the second step of connecting the first capacitor and the second capacitor to one another to the input voltage and ground as combined in claims 1 and 8.

***CONCLUSION***

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DINH T. LE whose telephone number is (571) 272-1745. The examiner can normally be reached on Monday-Friday (8AM-7PM).
